

## How to Take SAT/ACT Classes at Lee's Review

If you are a new student at Lee's Review, follow these steps to register for SAT classes:

### Step 1: Placement Test

If you have not taken any SAT tests or classes, you will need to take the placement test at our center. Tests are offered every Friday (4pm – 8pm) & Saturday (10am – 2pm).

### Step 2: Register

Once our new students' placement test scores come out, we always schedule a twenty-minute meeting with students and parents.

\*\*Each of our schedules has multiple classes, which are split by how a student scores on an SAT test. The classes will all meet the same number of hours and will be learning the same material even though the speed may differ.

If the classes are full, you can register for the waiting list. If you are placed on a waiting list, you will be notified by email when space becomes available.

**\*\*Registration is on a first come, first served, so please plan accordingly.**
